**TOWN WARRANT 1981
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Alstead in the County of Cheshire, in said State, qualified to vote in Town affairs;

You are hereby notified to meet at the Municipal Buildings in said Alstead on Tuesday, the 10th day of March, next at 12:00 noon. Polls will be open until 7:30 P.M. The business meeting to be holden at 7:30 P.M. to act on the following:

- Article 1. To choose all necessary Town Officers for the ensuing year.
- Article 2. To see if the Town will vote in favor of having the office of town clerk combined with the office of tax collector; thereby creating a new office of town clerk - tax collector to be held by one individual. Said term to be for three years.
- Article 3. To see if the Town will raise and appropriate the sum of \$22,000.00 for Town Officers salaries and expenses and elections and registrations.
- Article 4. To see if the Town will raise and appropriate the sum of \$80,000.00 for highway and bridges and oiling of Town roads and general maintenance.
- Article 5. To see if the Town will raise and appropriate the sum of \$1,122.68 Town Road Construction (TRA), the State to contribute \$7,484.54.
- Article 6. To see if the Town will raise and appropriate the sum of \$10,000.00 for payment on the long term note issued to purchase the road grader.
- Article 7. To see if the Town will raise and appropriate the sum of \$7,000.00 for Old Age Assistance and Town Poor.
- Article 8. To see if the Town will authorize the Selectmen to sell real estate acquired by tax sales.
- Article 9. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary.
- Article 10. To see if the Town will vote to authorize prepayment of property taxes and to authorize the tax collector to accept prepayments as provided by RSA 80:52-a.
- Article 11. To see if the Town will raise and appropriate the sum of \$200.00 for the Town Planning Board.

- Article 12. To see if the Town will raise and appropriate the sum of \$1,171.00 as the Town's share for studies and operation of The Southwest Region Planning Commission.
- Article 13. To see if the Town will raise and appropriate the sum of \$3,000.00 for the support of the Library.
- Article 14. To see if the Town will raise and appropriate the sum of \$7,000.00 for operation of the Police Department.
- Article 15. To see if the Town will raise and appropriate the sum of \$500.00 for the expenses of the Dog Officer.
- Article 16. To see if the Town will vote to expand the present membership of the Alstead Planning Board from five (5) to seven (7) members and to authorize the selectmen to appoint two (2) additional Planning Board members pursuant to the provisions of RSA 36:4, 11-a and RSA 36:5,11.
- Article 17. To see if the Town will raise and appropriate the sum of \$1,000.00 to be used for the surveying and preparation of a map of Pine Grove Cemetery.
- Article 18. To see if the Town will vote to authorize the Selectmen to establish a Cemetery Commission, composed of four (4) members, one of whom to be the Cemetery Commissioner, each to serve for a period of three (3) years from the date of appointment, to oversee the care and maintenance of public cemeteries in the Town, and to perform the duties required by statute (RSA 289, et seq.)
- Article 19. To see if the Town will vote to authorize the cemetery commissioners to sell burial plots measuring 4 feet in width and 11 feet in length, for the sum of \$100.00 per plot, and to be sold only to residents of the Town; said plots to be sold as perpetual easements, and not as fees; These funds to be held by and expended under the direction of the Trustees of Trust Funds, and used to provide for the perpetual care of each plot purchased. Any balance above expenditures necessary to provide said perpetual care and maintenance to be applied to the general care and maintenance of public cemeteries in the Town.
- Article 20. To see if the Town will authorize a discount of two (2) % on real estate taxes paid in full on or before September 30th next, on current year assessments. Further to authorize the Selectmen to extend this date up to thirty days as may be necessary to allow at least ten days before payment is due after mailing of tax bills.

- Article 21. To see if the Town will vote to authorize the Selectmen to issue permits for playing Bingo as prescribed by law.
- Article 22. To see if the Town will raise and appropriate the sum of \$150.00 for Memorial Day observance.
- Article 23. To see if the Town will raise and appropriate the sum of \$400.00 for 4th of July observance.
- Article 24. To see if the Town will authorize the Selectmen to apply for, and accept any Federal Disaster Aid that may become available and expend these sums upon receipt of same.
- Article 25. To see if the Town will vote to have the Mabel Still Memorial Building and the Shedd-Porter library placed on the National Register for Historical Buildings.
- Article 26. To see if the Town will authorize the transfer of the remaining funds in Capital Reserve for the Relihan Bridge project to the Capital Reserve fund for Building needs and/or highway equipment.
- Article 27. To see if the Town will raise and appropriate the sum of \$600.00 for Forest Fire Protection.
- Article 28. To see if the Town will raise and appropriate the sum of \$14,600.00 for fire protection, equipment, and maintenance of the Alstead Fire Department.
- Article 29. To see if the Town will raise and appropriate the following sums for items and purpose listed:
- | | | |
|----|---|-------------|
| a. | Maintenance and up keep of Town Buildings | \$ 4,000.00 |
| b. | Operation and maintenance of the dump-transfer station | 24,000.00 |
| c. | Bonds for Town Officers, liability and property insurance | 14,000.00 |
| d. | For interest on temporary and long term notes | 10,560.00 |
| e. | For Social Security expenses | 3,500.00 |
| f. | For Street lights including flashing lights | 4,300.00 |
| g. | For damage and legal expenses | 2,000.00 |
| h. | Civil Defense | 150.00 |
| i. | For care of cemeteries | 700.00 |
| j. | Parks and Playgrounds | 2,100.00 |
| | | <hr/> |
| | | \$65,310.00 |

- Article 30. To see if the Town will raise and appropriate the sum of \$5,760.00 for support of the Fall Mountain Visiting Nurse Association.
- Article 31. To see if the Town will raise and appropriate the sum of \$677.50 for the Children & Youth Program. (Payable to the present Landlord-Charlestown Realty Association).
- Article 32. To see if the Town will raise and appropriate the sum of \$4,020.50 for the provision of ambulance service to the Town of Alstead.
- Article 33. To see if the Town will appropriate and authorize the Selectmen to withdraw \$12,000.00 from the Revenue Sharing Fund for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith:
- | | |
|---------------------|-------------|
| Appropriation | Amount |
| Highway Maintenance | \$12,000.00 |
- Article 34. To see if the Town will raise and appropriate the sum of \$15,000.00 to be put into Capital Reserve Fund to be used for the repairs on the Vilas Dam.
- Article 35. Shall we adopt the Provisions of RSA 634-34a permitting applications for changes in Party Affiliation to be made with the Town Clerk. (By Petition)
- Article 36. To transact any other business that may legally come before this meeting.

TOWN OF ALSTEAD

AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Alstead
Alstead, New Hampshire

We have examined the combined financial statements of the Town of Alstead and the combining, individual fund and account group financial statements of the Town as of and for the year ended December 31, 1980, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1F, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the General Fixed Asset group of accounts results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Town of Alstead, New Hampshire at December 31, 1980, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined statements of the Town of Alstead, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Basis of Presentation

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equities, revenues, and expenditures or expenses. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund — The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds — Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are Federal Revenue Sharing, Vilas Pool, Arch Pond Committee and Shedd Porter Memorial Library Funds.

FIDUCIARY FUNDS

Trust Funds — Trust Funds are used to account for the assets held in trust by the Town for others.

ACCOUNT GROUPS

General Long-Term Debt Account Group — This account group is established to account for the long-term debt that is backed by the Town's full faith and credit.

B. Basis of Accounting

The accounts of the General, Special Revenue, Expendable Trust and Debt Service Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the state or in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Interest on long-term general obligation bonds and notes payable is recognized when it becomes payable. The Town follows the policy of recording property and resident taxes on the accrual method and other General Fund revenue, such as motor vehicle excise taxes, on a cash basis. Federal revenue sharing assistance is recorded as a receivable and a revenue as the entitlement occurs. Federal and state reimbursement type grants are recorded as receivables and revenues as the related uses are recorded. The accounts of the Nonexpendable Trust are maintained and reported on the accrual basis of accounting.

C. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; therefore, the reserve for encumbrances is reported as part of the fund balance, although the transaction is accounted for as a reduction of budgeted appropriation in the year the commitment is made.

D. Investments

Investments in all instances are stated at cost, or in the case of donated investments, at market value at the time of bequest or receipt.

E. Inventories

Inventory in the general fund consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

F. General Fixed Assets

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

G. Vacation and Sick Leave

Town employees do not receive paid vacation or sick leave.

H. Pension Plan

The policemen and firemen, being part time, do not participate in the State of New Hampshire Retirement System.

Note 2 — CHARLES N. VILAS TRUST FUNDS

The United States Trust Company and Citibank of New York are custodians of the Charles N. Vilas Trust Funds. Income received by the Town in 1980 from this source amounted to \$48,221, of which \$7,991 was credited to the Vilas Pool Fund and \$40,230 to the General Fund. Our engagement did not include an audit of these funds and they are therefore, with the exception of the income received, not included on these financial statements.

Note 3 — SHEDD PORTER MEMORIAL LIBRARY TRUST

The Continental Bank and Trust Company of Chicago is the custodian of the Shedd Porter Memorial Library Trust. Income received and credited to the Library Trustees from this source was \$5,608 in 1980. As with the Vilas Trust mentioned above, our engagement did not include an audit of these funds and they are therefore, with the exception of the income received, not included on these financial statements.

ROAD AGENT'S REPORT

Another year has gone by with the Highway Department not completing all the work I had planned. Time was short after we spent about a month on Slade Hill clearing trees with TRA money and other projects. We finished shoulders on Relihan's hill which completed the TRA work there.

Hot mix and patch were applied to the Mine road again in several places and Hill road. These parts were sealed as well as Edward's road and a short piece on Slade Hill. Asphalt is becoming so expensive, we are only able to do about one half of what we did 5 years ago with the same money.

Underdrain pipe was put in on Esslinger's hill and it was re-graveled about 400 feet.

Major brush cutting was done on Corbin's, Cooper, Fred Porter's, Fletcher's, Bacon's and Pine Grove Cemetery roads. Most all other roads were mowed and power brush mowed.

Culverts were installed on Pratt's, Bacon's, Peachblow, Log Cabin and Vilas Rock roads. The small bridge on South Woods was replaced with a culvert.

Duncan money was spent on crushed gravel, culverts, widening and gravel on Able's road (yet to be finished).

I feel the roads were snaded quicker and much easier with the second hand spreader truck purchased last year. It is a 1967, but so far has been almost trouble free. This truck also plows much better than the other two wheel drive truck. The two wheel drive dump truck gets more tired each year with well over 100,000 miles of work. I hope this can be replaced as money will allow.

I want to thank all of you who assisted me during the past year.

Respectfully submitted,

Ken Winham
Road Agent

REPORT OF THE SELECTMEN

The Selectmen have had a very active year. Some of the events of the year were anticipated such as the reappraisal and further changes of the tax maps; whereas, other unexpected time consuming projects surfaced this year.

The steeple on the Mabel Still building needed emergency repairs. We were able to accomplish this for less than we at first thought it would cost.

The wiring on the green is a hazard. We contacted an electrician and requested the work to be done. He will do the job this year as he could not get certain parts last year. We plan to have a time control so that the lights will not burn all night.

We have been ordered to repair the Vilas Dam after an inspection by the government found potential hazards in the dam. This will be a costly project; but, we will continue to investigate for alternate and less costly means of complying with the order.

We made the final payment on the Relihan Bridge project.

We want to thank everyone for their cooperation with the State appraisers. They will be back this year for a short time to do pick-ups on new construction. The system we now have with property cards and with the blotter books is more efficient. This new system in conjunction with the tax maps is a great help and anyone who has utilized the tax maps can attest to that fact.

The cost of utilities in the town building have reached the stage where we feel we have to do something. We have suggested to the building committee our recommendations in this matter.

We are sorry that we could not continue to hold the budget to the same total it has been for the past three years. The Vilas Dam project is one of the big factors in the increase of the budget.

We thank everyone for their help on various boards and committees.

Respectfully submitted,

George T. Nostrand
Gloria Seddon
Thomas J. Hancock

VILAS POOL ANNUAL REPORT 1980

Work started in April preparing the pool and continued all summer long. The pool was dredged for swimming and some repairs were made. There is still more repairs than money that have to be done, but Vilas Pool is on its way back.

We were glad to see about twenty five young adults daily using the pool. Our weekend crowds were not like years ago, but we were pleased to see some towns people among all the out of towners.

We had a summer fun program for the children which thirty five children took advantage of. We were sorry we had to turn away at least as many, but due to the amount of staff it had to be done. We want to thank the Fall Mountain School District Teacher Corps, and mostly Mrs. Christine Archer for the wonderfull program. Our Sr. Life Saving program was not held as not enough people were interested.

We would like to invite YOU to see Vilas Pool at work, it starts in April and continues on until late fall.

Thank you again Mrs. Archer and also to those young adults who gave us a free hand whenever we needed it.

Respectively submitted

Ralph Moore
Dorothy Blake
Stephen Blake

SHEDD PORTER MEMORIAL LIBRARY

TRUSTEE REPORT

The board of library trustees met 11 times in 1980. Our thanks to the towns people for their approval of \$3000 so that we were able to meet our current expenses of running the library for another year.

We also are especially grateful to Dr. John Scheweppe of Chicago, Illinois for his generous donation of \$2500. It was noted and approved to put \$2000 of this into a contingency fund for part of the expense of repairing the front foyer from the rain and ice damage. All of the estimates are not in yet, but it certainly is looking like an extremely costly expense.

A new project we started this year was the annual Valentines Party and poster contest in conjunction with National "I Love To Read" month. The Vilas and Langdon teachers were very cooperative with working with the children and their posters. We had the Phoenix Nest Clowns for entertainment. The Friends of the Library, local merchants, and Jaycees paid ALL EXPENSES. We hoped for 50 children and 125 showed up. I guess you could say it was a big success for everyone! (As was our summer reading hours and elementary exhibits.)

Your library was also used by the V.N.A. for blood pressure clinics, and the Historical Society for meetings.

There is now a record album lending collection and hundreds of new adult and juvenile books for the first time in many years. Most of which was possible from the donations to the Memorial Funds.

We were able to repair our roof damage outside, install better lighting outside at the entrance, repair our present heating system and repair the worst area of our lawn. However, there is more lawn area to be done.

We are currently working on the replacement of shades, repairing broken book shelves and card catalogue files. When the weather permits it is hoped to get the front doors and conference table refinished.

Again our heartfelt thanks to all who have helped us in so many ways this year.

Respectfully submitted,

Virginia Strout
Chairman, library trustees

SHEDD PORTER MEMORIAL LIBRARY

As your librarian, I hereby submit my report for 1980.

In a continuing effort to conserve fuel it was decided to close the library for two weeks during the Christmas and New Year holidays as well as to continue the winter hours of last year, three consecutive days, Wednesday 1 to 4 and 6 to 8 P.M. and Thursday and Friday and Friday 1 to 6 P.M.

Mrs. Janice LaMears was appointed assistant librarian replacing Mrs. Patricia Garland whose resignation was accepted with regret.

The support of the New Hampshire State Library and the Keene District Bookmobile is helpful and appreciated. Due to circumstances beyond control the Bookmobile made but one visit during the past year, with 302 books borrowed. Hopefully we can look forward to more visits this year. A total of 138 books were borrowed from the State Library by special request.

The generous gifts of memorial money and additional money from the Alstead Play School enabled us to buy more books than has been possible the past few years. There were 70 adult and 115 children's books purchased. Also, there were 119 adult books, 272 children's books and several hundred paperbacks contributed. We are sincerely grateful for these gifts.

We subscribed to one weekly and one daily newspaper and 12 magazines. We were fortunate to have many magazines donated and this has been particularly helpful.

A special thank you goes to Dr. John Shedd Schweppe of Chicago for his generous gift to the library and to the residents of Alstead for the financial support voted at the March Town Meeting.

There were 91 new borrowers for the year.

Circulation for 1980:

Fiction	6,862
Non-fiction	1,726
Juvenile	3,723
Magazines	1,019
	13,330

My thanks to the trustees of the library for the interest and support given me this past year.

Doris Dustin
Librarian

REPORT OF THE POLICE DEPARTMENT

1980 was another busy year for the Police Department. It is becoming increasingly apparent that American Citizens must develop an attitude of resistance to crime and take basic preventative measures to reduce their vulnerability to criminal acts. We in the community have an advantage over the larger towns and cities because we are usually aware of neighbors activities and their whereabouts. If something appears to be unusual or different it is quickly unnoticed by concerned neighbors or friends and can be reported at once. I urge people to report anything suspicious at once. I appreciate having the many concerned people call me with helpful information.

The Alstead's Police Log continues to increase in the number of complaints handled each year. However, the nature of the complaints stay much the same but there are noticeable increases in some areas. Problems with our youth seem to be at the top of the list with their involvement in drinking, breaks, drugs, run aways and discontentment in the home. Certainly, Alstead is not alone with this statistic but what are we going to do about it?

I have worked this year with a probation officer in this area who has given me much assistance. I appreciate his help and the voluntary help extended by officers in nearby towns in emergency situations. My thanks also, to the State Police who are as near as my radio. Thanks to the crossing guards who are also in order for their faithful duties performed.

Respectfully submitted,

Erwin W. Ward, Chief

Alstead Police Department

ALSTEAD FIRE RESCUE SQUAD

The Rescue Squad had a very busy year - responding to 41 emergency calls, plus our regular monthly meetings and training sessions. We now have the rescue truck in service and have added a good deal of new equipment. The truck is not painted yet but will be in the very near future.

We now have 9 active members on the squad - trained to handle most emergencies that arise - and we are available 24 hours a day. If you or someone near you needs help the number to call is 352-1100 which is the mutual aid center in Keene.

Respectfully submitted,

Delinda Campbell
Captain

FIRE DEPARTMENT REPORT

The Fire Department had two highlights during the year.

This past year saw the retirement of our long time (20 years) Fire Chief - Ralph Moore. An appropriate farewell picnick was given in his honor and enjoyed by members of the Fire Department, town officials, and Ralph's friends and relatives.

The second highlight was a grant of \$1,500.00 from the State of New Hampshire toward the purchase of a new base radio. The radio has been purchased but not yet recieved. Our audible alarm is in repair and should be returned to the top of the fire house within a few weeks. With funds appropriated at last years town meeting we were able to purchase much needed communication monitoring devices and fire fighting protective equipment.

The fire department responded to 43 fires, and 41 medical emergencies, for a total of 964 paid man hours. Many hours were paid for by Fuller Machine Company and again we extend our gratitude to this community spirited Company. Many of the hours were dedicated by the firemen to special work details which were not paid.

One of the special work details involved equipping and making road worthy a special rescue vehicle which is now radio equipped and in service.

The Fire Department wishes to express our sincere thanks to the towns people for your continued support.

Harold Ramsey
Lawrence E. Huffling
Warren Campbell

Commissioners

REPORT OF THE PLANNING BOARD

This year has been less active than other years for the Planning Board, having approved only five subdivisions totalling eleven new lots. Other proposed subdivisions were reviewed and recommendations made to benefit the town and the property owner.

The Master Planning effort this year has blossomed under David Edkin's, our Regional Planning representative from the South Western Regional Planning Commission.

Those wishing to offer their time and interest to the Planning Board are encouraged to do so. Several of our members are leaving after long years of service. The Board is proposing by article in the warrant to expand the membership to seven (7) members in order to help spread the effort over more members. If you have an interest in how the town needs to prepare itself for the (80's) and beyond, see any of the Selectmen or planning board member for more information on how you can help.

Timothy W. Noonan, Chairman
Peter Rhoades, Secretary
Bernard Butcher
Donald Pecora
Gloria Seddon, ex-officio

REPORT OF THE CEMETERY CUSTODIAN

The cemeteries were raked and leaves were removed in the spring. The brush was cut around the walls and removed. Mowing was done from spring until late fall.

Richard G. Clark

REPORT OF OVERSEER OF PUBLIC WELFARE

Several families asked for financial assistance during the year. Direct relief and food stamps were given to needy families.

Richard G. Clark

FORESTRY DEPARTMENT

This past year has once again been uneventful as far as grass and brush fires go.

This is very good but i'm afraid we will be lulled into a situation where we will not be prepared for a large scale forest fire.

This year I have asked for an increase of \$100.00. This is the first increase asked for since 1977. The total i'm asking for is \$700.00. The \$100.00 increase does not cover the increased pay rate for men and equipment. As a point of interest \$700.00 would not cover the cost of 20 men for a 24 hour period with the State paying half the cost. You can see a forest fire is an expensive item, not only do you have the cost of putting the fire out but the loss of valuable timber.

Our problem has been children playing with matches. If you see this happening, please stop them or notify someone that will.

Remember a small grass fire can turn into a major forest fire.

Smokey the bear says:

PLEASE HELP PREVENT FOREST FIRES!

Respectfully submitted,

Warren Campbell
Forest Fire Warden

, BICENTENNIAL COMMITTEE REPORT

The State Bicentennial final reports will be in 1983. Any unfinished work of the Alstead committee will have to be finished in 1982.

The only remaining obligation of the Alstead committee is the completion of the Bicentennial Booklet "Alstead Past and Present." The Prentice Hill Grange willingly sponsored this and collected money and material for the booklet. We thank them for their hard work and understand that the finished product will be done by the Historical Society as soon as they receive the information from the Prentice Hill Grange. Also, for the information of residents, a scrapbook was started by Gloria Seddon, Chairman and Dorothy Walker now has the scrapbook for additional material which she wished to add to it. If anyone has anything which they feel should go into the scrapbook, please contact Dorothy. The chairman wishes to thank Dorothy Walker for completing the scrapbook. Again we thank all who helped on our bicentennial.

THE HISTORICAL BUILDING COMMITTEE REPORT

The Historical Building Committee met with a representative from the N. H. State Preservation Office to consider the following:

1. We decided the Maybelle Still Memorial Building and Shedd Porter Library should be on the National Register.

2. Should we apply for a Historic District?

3. Are there other funds available besides Federal money?

This committee feels it is of upmost importance to the town that the former church be restored for town use as soon as our study and final report is completed.

Next year this committee hopes to submit a final report and estimates of costs to the voters for consideration.

Respectfully submitted,

Dorothy Walker, Chairman
Benjamin Allison
Janet Brown
Edgar Bley
Erwin Ward
Paul Thompson
Charlotte Thompson
Meredith Howard

ALSTEAD HISTORICAL SOCIETY

The Alstead Historical Society met and laid the ground work for a Town History. Members all agreed by unanimous vote on the following.

1. The cut off date for the history will be 1980-81.
2. The work will be presented in three volumes. Volume 1. A written History of Alstead. Volume 2. A pictorial History of Alstead. Volume 3. A genealogy of Alstead residents.
3. That a professional photographer be hired to take photos of Alstead as it appears in 1981. Funds for this project to come from the Maybelle Still Trust Fund that was left for the purpose of compiling information for a Town History of Alstead. These pictures to be stored in the Shedd Porter Memorial Library or Historical rooms under proper conditions.

We have committees anxious to start these tasks;

1. Examining a wealth of old records and documents and compiling and cataloging information.
2. Compiling family names and genealogys of Alstead residents.
3. Soliciting and collecting photo's of people, buildings and events of the town of Alstead.

The town history committee needs time, work space and professional help. Volunteers are needed and welcomed.

Respectfully submitted

Alfred Ikeler, President
Bruce Bellows, Chairman
Carla Blood, Secretary
Dorothy Walker, Geneology
